I Only Want To Be With You

Words and Music by
Ivor Raymond and Mike Hawker

I don't know what it is that makes me love you so...
I only know I never wanna

let you go...

'Cos you started somethin' Oh can't you see that

ever since we met you've had a

hold on me...

It happens to be true.

1963 Chappell Music Ltd, London W6 8BS
You stopped and smiled at me. Asked if I'd care to dance.

I fell into your open arms and I didn't stand a chance.

Now listen honey, I just wanna be beside you every-where. As long as we're to-gether honey
I don't care. 'Cos you started somethin'. Oh can't you see that ever since we met you've had a hold on me. No matter what you do, I only want to be with you. I said I only want to be with you.

I’m so used to doing
everything with you, planning everything for two. And

now that we're through... 2. I just don't I just don't

know what to do... Like a summer rose

needs the sun and rain. I need... your
sweet love to beat all the pain.

I just don’t know what to do with my time,
I’m so lonesome for you it’s a crime.
Going to a movie only makes me sad,
Parties make me feel as bad.
When I’m not with you,
I just don’t know what to do.

You have to stay for ever
You don't have to say you love me
just be close at hand,
You don't have to stay forever
I will understand, believe me, believe me
can't help but love you — But believe me I'll never tie you down.

Life seems dead and quite unreal.

All that's left is loneliness there's nothing left to feel.

You don't have to say you love me.
just be close at hand, You don't have to stay forever.

I will understand. Believe me, believe me.

You don't have to say you love me just be close at hand,

You don't have to stay forever I will understand. Believe me, believe me.

It isn’t the way that you look, and it

isn’t the way that you talk. It isn’t the things that you

say or do, make me want you so.

It is
no thing to do with the wine, or the music that's flooding my
strangers a moment ago, with a few dreams, but nothing to

mind, and never before have I been so sure you're the
show. The world was a place with a frown on its face, and to

Being good isn't always easy,

I'm saying so much more than just words could ever say, and what my heart has heard, well it takes my breath away, I can hardly wait to hold you, feel my arms around you, how long I have waited.
Verse 1:
Waited just to love you, now that I have found you.

Verse 2:
You've got the look of love, it's on your face,
A look that time can't erase.
Be mine tonight, let this be just the start
Of so many nights like this;
Let's take a lover's vow
And then seal it with a kiss.

Verse 3: (Instrumental)

I can hardly wait etc.

Verse 4:
I can hardly wait etc.
